

The North Coast Watershed Assessment Program

invites your participation and comments at the

Redwood Creek Watershed Assessment Public Meeting

Saturday, February 23, 2002

1:00pm - 4:00pm

Blue Lake Union School - Gymnasium

631 Greenwood, Blue Lake

***** Please help us spread the word about this meeting *****

Please attend and....

- Learn about the Redwood Creek watershed assessment process.
- Review and comment on the North Coast Watershed Assessment Program's draft "Redwood Creek Watershed Synthesis Report." Report now available online at **www.ncwatershed.ca.gov**.
- Share your concerns and questions about the Redwood Creek watershed conditions.

Only with your help can the North Coast Watershed Assessment Program efforts become useful components toward the improvement of the Redwood Creek watershed and its salmon and steelhead populations....

For more information contact....

- Steve Cannata, Department of Fish and Game, (707) 725-1015
- Jim Erler, Department of Forestry & Fire Protection, (707) 477-2259

Alternate communication format available upon request. If reasonable accommodation is needed, call Shannon Stewart at (707) 725-1052 or the California Relay (Telephone) Service for the deaf or hearing-impaired from TDD phones at 1-800-735-2929.
